

## Directory Deadline is March 1, 2012!

As we plan the 2012-2013 edition of the Bar Association's Directory of Attorneys and the Courts, we remind all members that it is our goal to publish the most accurate, up-to-date information possible.

Attorneys whose addresses, telephone/fax numbers and/or e-mail addresses have changed since the last issue must notify the Bar Association of the changes on or before **March 1, 2012**.

Unless we are notified of a change, the listing shown in the 2011-2012 Directory will be used. Please note that we no longer publish an addendum to the Directory so any changes received after March 1 will not be published until the following year.

Changes must be made in writing. Please use the form below:
